SHOOTING GALLERIES AND RANGES.

Estimates of appropriations required for the service of the fiscal year ending June 30, 1902, by the Quartermaster's Department, United States Army.

WAR DEPARTMENT.

QUARTERMASTER'S DEPARTMENT.

Shooting galleries and ranges:

For shelter shooting galleries and ranges for small-arms target practice, repairs, and expenses incident thereto (act Mar. 2, 1901, vol. 31, p. 908, sec. 1)	\$10,000
Amount appropriated for the fiscal year for which the appropriation is required	10,000

NOTE.—This estimate calls for the amount asked for by General Chaffee in cablegram of the 27th ultimo, and is in accordance with the recommendation of the Lieutenant-General Commanding the Army, who, in his indorsement of December 31, 1901, says: "There remains on hand only \$5,583.54, which will not be sufficient to take care of the rifle ranges in the United States during the present fiscal year. It is recommended that a special estimate be sent to Congress for the \$10,000 asked for by the commanding general, Division of the Philippines, in time to have it incorporated in the urgent deficiency bill."
